FINDINGS

1. This facility is a 124 acre Class II-2 sanitary landfill. It is a combination trench and area method of operation. The site is located in North Monterey County on Lewis Road, two miles West of San Miguel Canyon Road. This site receives:

- a) Residential wastes
- b) Commercial wastes
- c) Tires
- d) Agricultural wastes

This site receives an average of about 11,000 uncompacted cubic yards per month. At present this site is open from 9:15 a.m. to 5:00 p.m. seven days a week and is closed only on selected holidays. At present this site is a free site and is limited to Monterey County residents.

The design and operation of this facility existing immediately prior to August 15, 1977 were described in the Report of Disposal Site Operation, submitted by the operator on July 26, 1977.

- 2. There are no proposed changes at this facility within the next five years.
- 3. The following documents condition the design and operation of this facility:
 - a) Waste Discharge Requirement Number 72-82 issued by the Central Coast Regional Water Quality Control Board
 - b) California Division of Forestry Rubbish Dump Permit Number 5-0130
- 4. Land within 1,000 feet is used for grazing and is also natural tree-covered terrain.
- 5. This facility's current operations are in conformance with the State Minimum Standards for Solid Waste Handling and Disposal.

This permit is granted solely to the operator named above, and is not transferable. Upon a change of operator, this permit is subject to revocation. Upon a significant change in design or operation from that described by the Plan of Operation or the Report of Station or Disposal Site Information, this permit is subject to revocation, suspension, or modification.

This permit does not authorize the operation of any facility contrary to the State Minimum Standards for Solid Waste Handling and Disposal. This permit cannot be considered as permission to violate existing laws, ordinances, regulations, or statutes of other government agencies.
